

## Lawn Mower LXT®

# DLM539

18V X2 • 53 cm • 70 L

**Powerful Lawn Mower LXT® with Cutting✕Collecting✕  
Mulching Functions.**

Model DLM539 is a 530mm Self-Propelled Cordless Lawn Mower powered by two 18V LXT Li-Ion batteries in series. The large tyres make the ground contact area to sustain a higher performance in running over muddy or bumpy areas. Redesigned inside of deck streamline, in order to improve grass collection.

**18V + 18V → 36V LXT SOFT NO LOAD**

### Technical specifications

|                                         |                        |
|-----------------------------------------|------------------------|
| Nominal Battery Voltage                 | 2 x 18 V               |
| Voltage LXT                             | ✓                      |
| No load speed                           | 3000 min <sup>-1</sup> |
| Cutting height positions                | 10                     |
| Width of Mowing Deck                    | 53,4 cm                |
| Mowing Height                           | 20 - 100 mm            |
| Rear Wheel Diameter                     | 23 cm                  |
| Front Wheel Diameter                    | 18 cm                  |
| Collecting Box Capacity                 | 70 L                   |
| Propelling Speed                        | 2,5 - 5,0 km/h         |
| Self-Propelled                          | ✓                      |
| Cumulative                              | ✓                      |
| Bio cutting                             | ✓                      |
| Sound Power Level (L <sub>WA</sub> )    | 96 dB(A)               |
| Sound Pressure Level (L <sub>pA</sub> ) | 85 dB(A)               |
| Noise Uncertainty (K Factor)            | 3 dB(A)                |

### User benefits

- Self-propelled for reduce operator fatigue
- Electronic soft start feature for smooth start ups
- Increased grass-collecting efficiency
- Handle height can be adjusted in 2 stages
- Battery protection circuit protects against overloading, over-discharging and over-heating
